Personal comments:

The office staff is very warm & friendly.
They do care about how you feel!

Dr. Dombrowski is very polite, professional and polished. Excellent people skills. Very informative as a doctor. I'd come again and recommend as a ★★★★★ Doctor. Paintings in waiting area are colorful.

PS. The only thing concern - I was in pain the 1st visit March 12, 00, and it was painful to walk around to the rest room.
